

# Company Profile

**TRANSPLAN PTY LTD**

Planning and Design

# Who we are

Transplan Pty Ltd was established in 1995. The company has serviced a wide range of clients across Australia over 19 years, providing outstanding trails and pathway reports - and a project list in excess of 160 projects.

The consultancy specialises in planning for cyclists and pedestrians, recreation and heritage trail feasibility studies, planning, design, interpretation, construction and project management.

Transplan Pty Ltd provides a range of services including:

- Bike and shared pathway plans
- Rail trails
- Mountain bike trails
- Walking trails
- Bridle Trails
- Multi & Dual Use trails
- Drive trails (including 4WD)
